

## Scott Fujan, Sales Executive

As Sales Executive, Scott is dedicated to effectively identifying and matching a client's critical business needs by combining his in-depth knowledge of the manufacturing process with the desire to help clients be more efficient and profitable in their businesses. His dynamic personality coupled with his entrepreneurial intuition enables him to cultivate strong client relationships.

Scott has more than 20 years of sales experience and has held numerous management positions which include: President of The Sales Initiative Group, Director of Business Development for Real Time Solutions, Director of Sales & Marketing for Meyer Associates, and Regional Development Manager for International Multifoods.

### Education
